BAFFLE APPLICATION QUESTIONNAIRE

Thank you for your recent request. To help us provide the appropriate model of baffle, could you please answer these questions.

What is the project name or location?

What are the dimensions of the lagoon?

Number of baffles required?

What is the length and depth of the baffle(s) required?

Are aerators present?

What H.P. are the aerators and how close to the baffle will they be?

What is the flow rate?

What is the slope of the lagoon?

What is the temperature and pH?

Is the lagoon lined?

Is there an existing baffle in the lagoon?

Do you desire windows in the baffle(s)?

Do you have a plan view of the project?

Thank you! We look forward to being of service.
